To review and bring up to date CIA/RR-GR-70, which was published in September 1955 and as part of CIA/RR-59, published July 1955 (specifically economic geography).

Origin Self-initiated

Responsible Agency

All analysts

Country USSR

Maps may be revised or new ones made.

100

Open

CIA/RR-GR

GR-70 is presently being used as a text in the OTR/USSR Area Survey Course, and it is felt that a close examination and revision would be desirable in view of the broad use being made of it.
